

2024 ATAT Conference Workshop Proposal

#1001

Workshop Information

Category:	Other
Delivery Method:	In-Person Only
Title:	Food Science Friday
Summary	A pair of teachers who teach Principles of Ag in an untraditional way will share hands-on lesson ideas and resources, of course involving food, that align with the PAFNR Food Products and Processing TEKS. "Food Science Friday's" create buy-in and excitement among our freshman throughout the entire school year. These lessons can be used in both PAFNR and Food Science courses.
