

Mentee Expectations

1. Introduce yourself to your mentor within the first week of receiving notice of your assignment.
2. Communicate your preference to communicate with your mentor whether that be via text, call, or email.
3. Respond to mentors' communication efforts through the year.
4. Be open to asking questions, mentors are eager to help not judge.
5. Assist in coordinating visits with mentor and administrator making sure they obtain approval to enter campus.
6. Be accepting of a visit in person at minimum once a semester.
7. Communicate any issues or concerns you have with the mentor to the mentor coordinator.
8. Complete a mid year and end of year survey submitted to the Coordinator of the Mentor program.
